

Potential Demand For U.S. Ethanol And Feed Grain Products In South Asia

South Asia holds significant potential demand for sales of U.S. ethanol and feed grain products, like distiller's dried grains with solubles (DDGS). The Council recently opened a South Asia office to capitalize on the emerging market potential in the region.

PAKISTAN

DDGS – 600 TMT
Ethanol – 268 million gallons

NEPAL

DDGS – 65 TMT

INDIA

DDGS – 750 TMT
Ethanol – Currently imports 172 million gallons of U.S. ethanol for industrial use, with an additional potential demand of 251 million gallons for fuel

BANGLADESH

DDGS – 650 TMT

SRI LANKA

DDGS – 200 TMT
