

*The Value of USGC's Work – Clip Transcript*

[Transcript begins at 00.00.00]

ADC: So, at the end of the day, you know, we're not just selling a bushel of corn, we're helping customers to be able to feed their families, grow their operations, have partners - long-lasting partnerships with us – that transcend just one transaction. You know, that allows them to be our partners and be able to work together towards a long-term strategy.
